PERSONAL STATEMENT

I am a self-motivated third year degree student with a solid base of knowledge on a variety of IT topics. I strive for continued development and knowledge and am looking for a role to further my experience in systems management and networking. In the past I have fulfilled many roles including web development, graphic design and technical support. I have always had a keen interest in computing and at home I have setup my own "home lab". It consists of various networking and server hardware which I use to learn different systems and configurations to further my knowledge in my spare time.

TECHNICAL SKILLS

- Systems Technologies
Linux, VMware ESXi, Windows Server, Cloud Management , Web Servers (Apache, NGINX)
- Networking Technologies
Routing and Switching (DNS, VLANs, NAT, DHCP, Subnetting), Cisco IOS, pfSense, Ubiquiti UniFi

PERSONAL SKILLS

- Problem Solving
In many roles I have displayed the ability to troubleshoot, diagnose and fix issues that have arisen.
- Autodidacticism
Much of my knowledge has been self-taught and I have shown that I can find and apply relevant information to the problem at hand.
- Public Speaking
I have enjoyed preparing and delivering speeches and presentations in which I have received positive feedback.

EDUCATION

Bachelor of Applied Information Technology
Waikato Institute of Technology (Intended completion in 2019)

National Certificate in Computing
Waikato Institute of Technology (2016)

WORK HISTORY

Freelance Designer (part time), 2011 - 2018

- Full-Stack Web Development
This involved working with clients to create and design a solution for their business and to increase online presence. I wrote many of the sites from scratch (HTML, CSS, JS, PHP) and most sites were hosted on a Virtual Private Server that I administered (Debian, Apache, NGINX). I also worked with clients with hosting on their existing infrastructure and setting up ecommerce sites.
- Graphic Design
In this role I worked with clients on projects that involved Brand Identity, logo design, poster, brochures and business cards.

VOLUNTARY WORK

Photography Tutor, Progress to Health, 2015 - 2017

Graphic Design, WEC NZ Aotearoa New Zealand, 2015 - 2017
